The page features six tracing paths, each starting with a red dot and ending with a blue dot. The paths are shaped like the number '2'. Three ants and three worms are scattered around the paths. A large blue rounded rectangle on the right contains a matching exercise. Inside, an ant is next to a box with the number '2' and the word 'ひき' (pull), and a worm is next to a box with the number '3' and the word 'びき' (eat).
